EXPERIENCE

Lutz Tavern & Santeria, Portland, OR — *Bartender*

Aug 2010 - Aug 2020

Managed high volume interactions with ease while multitasking and delegating to resolve the needs of the moment.

Deftly handled interpersonal communication, and at times conflict, with patience and understanding to ensure outcomes inline with organizational goals.

Freelance, Portland, OR — *Web Developer*

Nov 2008 - Jul 2010

Built projects per client specifications and provided solutions around the LAMP paradigm.

Effectively worked with organizations outside of technology fields, addressing their needs through exemplary communication and clear explanation of project progress and development.

Aquameta, Portland, OR — *Drupal Developer*

Nov 2008 - Jul 2009

Used the LAMP stack to move static sites to the Drupal CMS.

Effectively managed time and deadline requirements as a contract employee.

EDUCATION

Treehouse, Portland, OR — *Fullstack JS Techdegree*

Apr 2020 - Aug 2020

Completed a bootcamp that started with vanilla JS and built up to projects reliant on a React frontend with a JSON API running on Node/Express for the backend.

SKILLS

HTML5, CSS, JS (ES6)

React w/ Express & Node

LAMP Stack
